

Once Marc has told the teacher about his uncle maybe having a virus, what should Vicky and Nick do?

Vicky sees Nick wearing a mask in a classroom on his chin. What should she do?

What should Nick and Vicky do as soon as they come home from school?

Nick remembers hearing a doctor on TV talking about the dangerous virus. What are at least 2 things that he should remember?

Vicky starts having a runny nose. What should she do?

Think of the games you can play while remaining 2 meters away from each other.
